This document is not an official Army or Cadet Command publication although regulations and policies are referenced throughout. This handbook is designed to be used as guide (specifically at NMMI) recognizing individual cases will vary.

For changes, updates, questions, or comments please contact the NMMI Army ROTC/ECP,
Recruiting Operations Officer: (575)624-8292 or nmmirotc@nmmi.edu

Welcome to the New Mexico Military Institute Army ROTC program! Our mission, in partnership with the school, is to recruit, educate, and develop leaders with strong leader attributes and competencies for the US Army Officer Corps; who provide purpose, direction, and motivation within the framework of the US Army values system and enables accomplishment of individual and unit missions. The Early Commissioning Program (ECP) is physically and mentally demanding and has significant associated benefits for young adults interested in serving their country (life experience, technical training, physical fitness, medical/dental plans, life insurance, time-in-service, educational financial assistance, etc).

The ECP at NMMI is one of only five programs in the country that commissions lieutenants in two years rather than the traditional four. We can do this because we have the right environment, the right training program, and, most importantly, because we select young men and women who we believe exhibit the character and maturity to earn a commission in a compressed time frame. Each of you has the ability to complete this program or you would not be in it. Congratulations on your selection!

The ECP is not a “try it on to see if you like it” program - it is training for a formal profession. America’s sons and daughters will be in your care and they deserve the absolute best leadership we can provide, just as you deserve the best training we can deliver to make you good leaders.

Our enduring priorities are trust and teamwork, development of leadership attributes and competencies, instilling initiative, and fostering comprehensive Soldier fitness. Trust & Teamwork: In combat, Soldiers must trust one another to *FIGHT, WIN AND LIVE* on the battlefield – “Trust” is earned and as “trust” grows the efficiency of our Military Science Department & Corps of Cadets increases. Leader Attributes/Competencies: Each Cadet and Cadre member will strive to increase their leader attributes and competencies – Academics is the priority. Initiative: To *“WIN”* you MUST try! Comprehensive Soldier Fitness: Soldiering and pursuing academic excellence requires both a *“strong mind and a strong body”*.

Begin now to think in terms of academic excellence, physical fitness, personal accountability, and mature, responsible behavior. Do not be satisfied with “good enough.” ECP Cadets are, by far, the finest Cadets in the Corps here at NMMI. People expect more from you – don’t let them down!

Shawn M. Hebert

Professor of Military Science

Part 1: Getting Started

Your Acceptance into the ECP

Joining the US Army and the ROTC program is optional and voluntary. ROTC is an elective class that is added to your academic schedule if you are planning to pursue a commission as an Army Officer from NMMI or if you are planning to take advantage of the Dual Track opportunity.

Acceptance into the Early Commissioning Program is conditional until you sign an ROTC contract with the US Army. Conditional acceptance is granted upon NMMI Admissions acceptance, verification of your high school graduation and the basic ROTC eligibility requirements. Additionally, you must get in shape, stay in shape and stay out of trouble.

The ECP is physically demanding and you must take the time now to get in shape; a regular regimen of push-ups, sit-ups, running, and swimming will get you ready. The Combat Water Survival Test (CWST) is a commissioning requirement and you must show up for the program able to swim.

Do not get involved with the law. Situations involving your arrest or a criminal record may disqualify you from the program.

Eligibility requirements for the ECP

Must be accepted to the NMMI Junior College:

- 17-21 years old (waiver up to 23 for prior service on a case by case).
- Must be single with no dependents.
- HS graduate with at least a cumulative 2.0 HS GPA and 17 ACT or 850 SAT
- For ROTC scholarship consideration: 2.5 HS GPA (or GED) and 19 ACT or 1000 SAT.
- ACT and SAT requirements are reading and math only, not overall score.

Must be a US Citizen of good moral character with no criminal history or drug use. Must be able to obtain a security clearance. Minor infractions will be reviewed on a case by case basis and may require a waiver to be submitted for consideration.

Must meet Army Height/Weight requirements prior to contracting. See page 29.

Must pass a military physical (military physicals can be used for the admissions physical requirement):

- MEPS physical (if enlisted in the NG or USAR) or
- DoDMERB physical (same physical for service academy and ROTC scholarship applications). We can assist you in setting up a DoDMERB.
- Do not volunteer ailments that have not been diagnosed by a licensed physician.

Must successfully complete Basic Combat Training (BCT/AIT) or the Fort Knox Basic Camp (4 weeks).

Must be able to meet the minimum physical standards to contract (Pages 25-28):

- Males: 53 sit-ups in 2 min, 42 push-ups in 2 min, run 2 miles in 15:54 or less.
- Females: 53 sit-ups in 2 min, 19 push-ups in 2 min, run 2 miles in 18:54 or less.

Documentation

Items we need before you arrive must be mailed to us, see page 12. Be sure to follow the directions for mailing precisely in order to ensure we receive the documentation.

As you acquire the documents required to enroll in our program, you must present the originals to us before you will be allowed to sign your ROTC contract. Copies sent via email or scan will help us get your file started In order to reserve your seat for Basic Camp.

In order to be commissioned as an officer in the United States Army, you must be a citizen of the United States. We must view, copy, and certify your original birth certificate (or nationalization papers) and original Social Security Card. You can either bring the originals or you can mail them in.

- Birth or Naturalization certificate
- Social Security Card
- Final High School Transcript (must be official, if you submitted the official transcript to Admissions we can get it from that office).

Walk-In

If you choose to bring them to us, please make an appointment to ensure someone will be here to accept the information and produce a valid copy for your file. Contact the Recruiting Officer at (575)624-8292 or one of the Human Resource Assistants at (575)624-8300/8657 in order to schedule a time for you to bring the information in.

Mail

If you are unable to bring the information to us, you can mail the originals to us. Once we have made the valid copies of the information, we will return them using FedEx with a tracking number. When you mail them to us, indicate the name and address you want them returned to.

Mail originals to:

New Mexico Military Institute Army ROTC
Attn: Recruiting Operations Officer or HRA
101 West College Blvd.
Roswell, NM 88201

DoDMERB Physical (Department of Defense Medical Examination Review Board)

Army ROTC will submit your name to Cadet Command in order to schedule you for a physical. Cadet Command and DoDMERB will use the address you provided to us to find a physician in your area to provide the physical. Once a physician has been located, DoDMERB will contact you through a contractor called Concorde. Concorde's correspondence will tell you to contact

the doctor to set up a physical exam appointment. It is your responsibility to complete the physical in a timely manner. You cannot be admitted to the program if you are not DoDMERB – qualified. We recommend getting the physical done as early as possible. Once the physical is completed, the physician has 30 days to send the results back to DoDMERB. If the physical is not complete or does not meet the requirements of DoDMERB, DoDMERB will contact you with a list of deficiencies that must be completed before the physical can be completed. You must contact the physician to set up a follow-up appointment to complete the physical. **Historically, this area has caused the majority of disqualifications because many prospective Cadets do not take it seriously.** Use caution when getting guidance from outside sources about the physical. Only the DoDMERB physical scheduled for you will be accepted - MEPS physicals can be accepted but only through a DODMERB approved process. If you are planning to enlist in the ARNG or USAR do not initiate a DODMERB.

Common medical issues that could result in disqualification (not all inclusive):

- ADD/ADHD (and other doctor prescribed medications)
- Asthma
- Color Blindness
- Hearing Loss
- Serious medical procedures (i.e. knee or shoulder surgery)
- Medical appliances (plates, screws, pins, etc)

Security Clearance Screening

In order to be commissioned as an officer in the United States Army, you must have a valid security clearance. If you already have a security clearance granted by an agency through the United States Army, it may suffice for this screening. You will be required to begin the security screening process once you arrive at NMMI and are contracted. There is nothing required for you to do for this prior to starting the program at NMMI.

Basic Course Credit: Military Science and Leadership I & II Substitution

The Early Commissioning Program is a four-semester ROTC program where the Cadet starts ROTC in the junior level Military Science class. A regulatory requirement of ROTC is that each Cadet complete eight semesters of ROTC prior to commissioning. In order to meet the requirements of both the ECP and the Department of Defense regulation, Cadets must substitute experience for the first four semesters of Army ROTC. There are two ways to substitute the first four semesters of Army ROTC:

1. Complete Basic Combat Training (and AIT) and produce a graduation certificate signed by a commander. The DD Form 214 or DD Form 220 may be accepted for this specific requirement on a case by case basis.
2. Attend and complete Mini Camp at NMMI and Basic Camp at Fort Knox, Kentucky. (Basic Camp was formerly called Cadet Initial Entry Training CIET and the Leaders Training Course LTC).

Basic Camp

Basic Camp is the ECP entry point (if you have not enlisted and completed basic training and AIT). Basic Camp is a leadership oriented, challenging, and motivating 4-week training program held at Fort Knox, Kentucky. Following your completion of Basic Camp, you will be flown to your home of record and will return to NMMI in late August in accordance with your NMMI reporting instructions. There are four phases to graduation:

1. The Individual Phase is a basic introduction to the Army, designed to teach Cadets the skills necessary to successfully participate in the next three phases.
2. The Teambuilding Phase covers adventure training, which builds both self-confidence and unit esprit-de-corps.
3. The Leader Field Training Exercise is the capstone exercise where Cadets are exposed to squad level operations where cadre assesses leadership ability in a field environment. The Field Training Exercise is intentionally tough and introduces the element of stress. Throughout the exercise Cadets encounter physical and mental obstacles that challenge them as a person, Cadet, and leader.
4. The Recover Exercise Phase introduces the social aspect of the Army. Final briefings are conducted as well as a Family Day in conjunction with a Cadet led graduation ceremony.

Mini Camp

Your first training event in the ECP is the five-day Mini Camp. You will arrive at NMMI Military College in late June via air transportation arranged for you by the ROTC Department (unless you choose to drive, within 200 miles will be required to drive). Here, you will meet the other Cadets in your cohort, be briefed on standards and expectations, and be issued uniforms and equipment. The next five days you will spend conducting physical training, land navigation training, team building exercises, drill and ceremonies training, and other exercises designed to introduce you to the Army way of life, allow you to get to know the other Cadets in your cohort, and to prepare you for Basic Camp. On the final day of the Mini Camp, you will all be taken to the Roswell Airport and flown to Fort Knox, Kentucky to attend Basic Camp. Report to the Mini Camp with the items on the packing list found in ANNEX C.

The Army pays for all lodging, food and travel to and from mini and basic camp. You will also make approximately \$850 during Basic Camp, it is in your best interest to save as much of that money as possible for other college related expenses.

Transportation

Transportation to NMMI for Mini Camp, from Roswell to Fort Knox, and from Fort Knox to your home of record will be arranged for you by the US Army. Transportation to NMMI to report in August is your own responsibility.

Haircut Standards

Cadets will report for Mini Camp with an appropriate military-style haircut. See ANNEX D.

Reporting Instructions

After Basic Camp you will report to NMMI to start your academic year in accordance with the reporting instructions found on the NMMI website: www.nmmi.edu. Ensure that you report on time and with the required documentation and packing list! Information regarding in-processing can be found on the Commandant's web page.

Scholarships and Incentives

IAW CC REG and CC PAM 145-1 (RMID): New ROTC Cadets need to have a last term and cumulative GPA of at least 2.5 in order to receive an ROTC scholarship. Example: You are requesting a 2YR CB Scholarship to start in the Fall 2017 semester. The Cadet's Spring 2017 term GPA would need to be at least a 2.5 and the CUM GPA would need to be at least a 2.5. If the Cadet had a last term GPA of 2.3 and a CUM GPA of 2.6 then that Cadet would not be eligible for an ROTC scholarship. ROTC Class GPA needs to be at least a 3.0 in order to maintain their scholarship.

The 2-year Army ROTC Scholarship at NMMI pays full tuition and fees OR room and board. Some MJC Scholarships are nationally boarded, some are locally awarded (based on ROTC eligibility, scholarship availability, scholarship suspense deadlines).

Once contracted, all ECP Cadets (whether on scholarship or not) earn a monthly stipend of \$450 during their first year and \$500 during their second year. There is also a one-time uniform allowance of \$1132 issued to newly contracted Cadets.

Under the CLIP-Bonus (language incentive) contracted ROTC Cadets may elect to take an Army authorized foreign language class. NMMI typically offers Russian, Chinese and Arabic. You must earn a 'B' or better in the class (a B- equals no money, you still get class credit for the class but NO money). You will 'earn' approximately \$250 per language class credit hour with this program.

Scholarship Cadets are required to join either the National Guard or US Army Reserve in order to participate in the Simultaneous Membership Program (SMP). This will be concurrent with ROTC with one weekend a month duties that are typically performed at NMMI (in lieu of travelling to a unit outside of Roswell). Split training certificates/DA 1380's are provided to the Cadet unit administrator to ensure SMP pay, time-in-service, and points are credited to the Cadet.

US Armed Services Tuition Discount - Active duty members of the US Armed Forces (includes all components and all branches of the US Armed Forces) and their dependents as well as honorably discharged veterans of the US Armed Forces and their dependents are eligible to pay in-state rates at NMMI. (Enlisted Cadets and Contracted Cadets fall into this category). This results in a net savings from out-of-state rates of more than \$5,000.00 per year. This discount applies to NMMI's boarding high school as well as the Junior College. See details at: www.nmmi.edu/admissions/newcosts

Make sure to complete the FAFSA and submit to NMMI Financial Aid for consideration of other NMMI based scholarships, grants, loans, etc. Some are need based while some are performance based, all can be used in conjunction with ROTC benefits. www.fafsa.ed.gov
Contact the NMMI Financial Aid office at (575)624-8066.

The Educational Assistance Program (EAP) is an optional program that pays full tuition and fees or room and board for ECP Lieutenants (after NMMI) to fund their last two years in college and complete their bachelor's degree. ECP Lieutenants who choose to accept funds under the EAP incur the additional service obligation of one year of service for each year of benefits received. See more about the EAP in Part 3 – Military Science IV (Sophomore Year at NMMI).

Simultaneous Membership Program (SMP)

The Simultaneous Membership Program allows you to attend Army ROTC and serve in the U.S. Army Reserve or Army National Guard at the same time, providing the opportunity for additional training and experience. Cadets serve as officer candidates and can earn Reserve/Guard pay and benefits in addition to their Army ROTC allowances. SMP Cadets receive a Guaranteed Reserve Forces Duty (GRFD) contract, which will guarantee that they will be commissioned into, and will serve their obligation in, the Reserves or National Guard. SMP Cadets on a GRFD contract can also request to revoke their GRFD control number in order to compete for an appointment as a lieutenant on active duty; even though, they serve in the ARNG/USAR as a Cadet. Non-scholarship Cadets may participate in this program with approval from the Professor of Military Science.

You can enlist in the ARNG and USAR before starting the ROTC/ECP but will be required to complete basic training and AIT prior to coming to NMMI. This will start your time-in-service to the Army for pay purposes sooner. If you elect to attend Basic Camp you can enlist with the NMARNG or USAR once you get to NMMI.

Split Option

High school juniors who want to get their military career started early should consider the Split-Option once they turn 17 years of age. This will split basic training and AIT between two summers and allow you to start college in the Fall semester after graduating high school with basic course credit completed. You will also have the opportunity to attend training one weekend a month while still in high school where you will learn about the Army and making money for school.

Contracting

Following verification of your eligibility (includes basic course credit), your passing of the Army Physical Fitness Test (APFT) and meeting Army height/weight/body fat standards, you will sign your contract which obligates you to a standard 8-year commitment in the US Army as a commissioned officer. The first opportunity to contract is typically in early to mid-September. Under the terms of your contract, you will complete your associate's degree and commission as a second lieutenant. Upon graduation from NMMI, you will serve as an officer in the Reserve

Component for two years while completing your bachelor's degree. You will then serve an additional six years as an officer after completing your bachelor's degree.

Scholarship benefits, stipends, and uniform commutation allowance do not commence until you sign your ROTC contract. You must sign your contract not later than 15 December in order to receive benefits for the first semester. If you do not do so, you will be liable for any tuition and fees owed NMMI. Once classes begin, you become liable for any payments owed to NMMI, if you do not sign your contract.

Cadet Oath: "I, (state your name), do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to regulations and the Uniform Code of Military Justice. So help me God."

Dual Track Cadets

'Dual Track' Cadets who are either self or sponsored prep Cadets trying to gain acceptance into one of the five service academies will not sign an ROTC contract. These Cadets will be allowed to participate in MS III in a non-contracted status until notification of academy acceptance or if the Cadet decides to complete the ECP for their early commission.

Army Service Commitment

Once a cadet signs their ROTC contract, they are legally obligated to an 8-year service commitment. The commitment begins upon graduation from NMMI. The time spent completing their bachelor's degree counts towards their Army commitment (up to 36 months). The new lieutenant must participate in a National Guard or Army Reserve unit in a non-deployable status while they complete their bachelor's degree.

Upon graduation and commissioning from NMMI the new lieutenant must transfer to a four-year baccalaureate degree granting institution, which offers Army ROTC. You have 24 months to complete your degree with the ability to extend this to 36 months if needed for degree completion. You will not be in the ROTC program because you have already commissioned but will be required to remain in contact with the Professor of Military Science at your school periodically until graduation. The PMS at the 4-year school will exercise administrative control over you and monitor your physical fitness, maintenance of weight standard, personal conduct and academic progress.

If you fail to complete your baccalaureate degree in the allocated timeframe, you will be in breach of your Cadet Contract and subject to be called to active duty as an enlisted Soldier or face monetary recoupment in addition to having your commission being revoked.

The Accessions Process Branch/Component Selection

See Part 3 – Military Science IV (Sophomore Year at NMMI).

4-Year ROTC Option

If you are not ready to make a commitment to the Army for whatever reason but still have interest in becoming an Army officer you can pursue your goal through the traditional 4-year ROTC cycle. While enrolled in junior college at NMMI you can take Military Science 1 and 2 that will transfer when you move on to a 4-year university to complete your bachelor's degree. This will allow you to continue with military science and commission as an Army second lieutenant at the end of 4 years and completion of your bachelor's degree. This path is typical among college athletes and other demanding extracurricular activities.

How to get started: Read the NMMI Army ROTC/ECP Handbook at www.nmmi.edu/rotc

Apply to NMMI online at www.nmmi.edu (NMMI Admissions 1-800-531-8576). Submit these items to Admissions for NMMI acceptance determination:

- High school transcripts: You must contact your high school and have them send an official transcript to NMMI Admissions. This official transcript must indicate that you have graduated and must reflect all semesters. A transcript that does not indicate that you have met the requirements for graduation will not be accepted. Please note that a final GPA of 2.5 is required for a scholarship. GED certificates will constitute a GPA of 2.5 on a 4.0 scale.

- ACT or SAT scores
- NMMI Cadet Questionnaire
- NMMI Health and Consent Form

Scan documents to admissions@nmmi.edu or fax (575)624-8058.

Documents required to slot you for Basic Camp and scholarship consideration:

- ROTC Medical Consent for Minors (If under 17, must be notarized)
- CC 139-R Enrollment Record July 14, only complete first two pages (fillable)
- DD 93 Record of Emergency Data (fillable)
- DD 2005 Privacy Act Statement - Health Care Records (fillable)
- SF 1199 Direct Deposit Form (fillable)
- SGLI 8286 Service members' Group Life Insurance Election and Certificate (fillable)
- W-4 Federal Income Tax Exemptions and Withholdings (fillable)
- DD 705 Army Physical Fitness Test (APFT) Scorecard (fillable)
- If DODMERB or MEPs qualified, provide a copy of qualification letter or copy of actual physical (these can also be used in place of the admissions physical).
- In the event you cannot complete a DODMERB prior to BASIC CAMP, you will need to complete a Safe to Train Physical.

(Scan all completed documents to nmmirotc@nmmi.edu or fax (575)625-2225).

Additional documents required for contracting (all are located at www.nmmi.edu/rotc):

- Copy of your social security card (Need to show original for contracting/enlistments).
- Copy of your birth certificate (Need to show original for contracting/enlistments).
- Copy of a Government Issue picture ID (i.e. Driver's License, Military ID, or Passport. Need to show original for contracting/enlistments).
- Copy of a SF 601 or most recent shot record.
- Recent full body photo in athletic attire.
- DD 2058 Statement of Legal Residence (fillable)
- DD 2807-1 Report of Medical History 2015 (fillable)
- ROTC Medical Consent for Minors (If under 17, must be notarized)
- W-4 Federal Income Tax Exemptions and Withholdings (fillable)
- **If you have completed BCT/AIT also include copies of enlistment paperwork.**

Additional Comments

Cadets in ROTC and Officers in the Early Commissioning Program

See Para 2-7h for additional information.

h. ROTC Cadets and Early Commissioning Program Officers. [Extract from p. 38]

- (1) Contracted ROTC Cadets are considered non-deployable until they both receive their Commission and complete their Basic Officer Leader Course (BOLC) or disenrollment from the ROTC Program.
- (2) Officers in the Early Commissioning Program who are finishing their degree are considered non-deployable until completion of their undergraduate degree and the Basic Officer Leadership Course.
- (3) Non-contracted ROTC cadets serving in the USAR or ARNG units, who have successfully completed their first semester, and remain enrolled in the ROTC program, will be considered non-deployable.
- (4) Second, third and fourth year cadets must be contracted in order to be considered non-deployable. Exceptions to this policy will be considered on a case-by-case basis when extenuating circumstances prevent a cadet from contracting prior to his/her unit's deployment.
- (5) Reference HQDA G-1 Memo dated 2 May 05, Subject: Fencing USAR and ARNG Soldiers in the ROTC Program and HQDA, G-1 Memo dated 30 Aug 05, Subject: Mobilization of Reserve Component Member Cadets in the U.S. Cadet Command.

Privacy Act Information

The Privacy Act of 1974 protects the personal information the federal government keeps on you in "systems of records (SOR)." SOR is information an agency controls that can be retrieved by name or some other personal identifier. The Privacy Act regulates how the government can disclose, share, provide access to, and maintain the personal information that it collects. Not all information collected online is covered by the Privacy Act.

The Act's major provisions require agencies to:

- Publish a Privacy Act Notice in the Federal Register explaining the existence, character, and uses of a new or revised SOR;
- Keep information about you accurate, relevant, timely, and complete to assure fairness in dealing with you; and
- Allow you to, upon request, access and review your information held in a SOR.
- An overview of the Privacy Act can be viewed at http://www.usdoj.gov/oip/04_7_1.html
- You will be presented with various pages required for us to enroll you into the Early Commissioning Program. You will not be able to participate in our program if we cannot access all the information we require.

- Spandex Shorts (1-2 pair)

Note* (you may be required to turn in any knives or Leatherman tools until Bold Leader phase)

DO NOT WEAR OR BRING inappropriate civilian apparel, tank tops, t-shirts with foul/profane language, short shorts, etc. Each cadet can expect to receive additional clothing items; therefore, it is imperative that only the items listed on the packing list be brought with you to allow for the additional space requirement. Be sure to use luggage that is in accordance with airline luggage policies. Standard airline luggage policies authorize two checked pieces of luggage with a max weight of 50lbs and 62” in dimension on any one side per piece. Carry-ons are authorized but vary in size from one airline to another.

SPECIAL GUIDE: FIELD HYGIENE AND SIMPLE SURVIVAL TIPS

- Running Shoes must be of high quality and supportive design to absorb the stresses of long distance running. Do not bring basketball, tennis or “designer” shoes to wear for running; foot and leg injuries will result.
- Zip-lock plastic bags, sandwich and quart size, make excellent waterproof storage bags to organize items and carry within ACU pockets.
- A small plastic tube or jar of cold cream will help with the removal of camouflage coloring from the face and hands.
- All underwear should be made of 100% cotton.
- Males would benefit from using loose fitting boxer shorts to improve air circulation and rash prevention.
- Females should bring comfortable fitting cotton underwear; At times during training, full bathroom facilities will be limited. In a hot environment, individually wrapped wipes will greatly reduce the potential of skin irritation. Also, frequent changing of panty liners for female underwear reduces discomfort if you are unable to change your underwear as often as normal.
- Females should wear supportive sports bras at all times at Basic Camp. Lacy/designer bras are not appropriate at Basic Camp.
- To help reduce friction blisters with boots, all Cadets, male and female, would benefit from bringing knee high nylon stockings or thin nylon socks to put on the feet first before putting on thicker wool socks. The thin nylon stockings help prevent the boot/wool socks from rubbing against the skin causing blisters. Break in your boots by wearing them frequently before arriving at Basic Camp.
- Place sole liners or inserts into the boots to provide added cushion effect for the feet. The increased shock absorption from the liners will prevent foot injuries from marching in boots.
- The physical activity encountered with Basic Camp may affect the female menstrual cycle. Your cycle may come earlier or later than expected. Bring with you an adequate supply of feminine hygiene products.

ANNEX B - Uniform and Appearance Standards

1. The Army is a uniformed service where discipline is judged, in part, by the manner in which a soldier wears a prescribed uniform, as well as by the individual's personal appearance. Therefore, a neat and well-groomed appearance by all soldiers is fundamental to the Army and contributes to building pride and esprit essential to an effective military force. A vital ingredient of the Army's strength and military effectiveness is the pride and self-discipline that American soldiers bring to their Service through a conservative military image. - AR 670-1: Wear and Appearance of the Uniform

2. The following guidelines concerning cadet uniforms and appearance are excerpted and paraphrased from AR 670-1 Wear and Appearance of the Uniform. They have the following organization: Personal appearance, the PT Uniform, the Battle Dress Uniform, the Male Class A & B uniform, the Female Class A & B uniform, and standards for commonly worn items.

Hair and fingernail standards and grooming policies

(1) General. The requirement for hair grooming standards is necessary to maintain uniformity within a military population. Many hairstyles are acceptable, as long as they are neat and conservative. It is not possible to address every acceptable hairstyle, or what constitutes eccentric or conservative grooming.

a. Leaders will judge the appropriateness of a particular hairstyle by the appearance of headgear when worn. Soldiers will wear headgear as described in the applicable chapters of this regulation. Headgear will fit snugly and comfortably, without distortion or excessive gaps. Hairstyles that do not allow soldiers to wear the headgear properly, or that interfere with the proper wear of the protective mask or other protective equipment, are prohibited.

b. Extreme, eccentric, or trendy haircuts or hairstyles are not authorized. If soldiers use dyes, tints, or bleaches, they must choose those that result in natural hair colors. Colors that detract from a professional military appearance are prohibited.

c. Soldiers will not cut designs into their hair or scalp.

(2) Male haircuts will conform to the following standards.

a. The hair on top of the head must be neatly groomed. The length and bulk of the hair may not be excessive or present a ragged, unkempt, or extreme appearance. The hair must present a tapered appearance. A tapered appearance is one where the outline of the soldier's hair conforms to the shape of the head, curving inward to the natural termination point at the base of the neck. When the hair is combed, it will not fall over the ears or eyebrows, or touch the collar, except for the closely cut hair at the back of the neck. Hair that is clipped closely or shaved to the scalp is authorized.

b. Males will keep sideburns neatly trimmed. Sideburns may not be flared; the base of the sideburn will be a clean-shaven, horizontal line. Sideburns will not extend below the lowest part of the exterior ear opening.

c. Males will keep their face clean-shaven when in uniform or in civilian clothes on duty.

(3) Female haircuts will conform to the following standards.

Uniform and Appearance Standards

a. Females will ensure their hair is neatly groomed, that the length and bulk of the hair are not excessive, and that the hair does not present a ragged, unkempt, or extreme appearance. Likewise, trendy styles that result in shaved portions of the scalp (other than the neckline) or designs cut into the hair are prohibited. Females may wear braids and cornrows as long as the braided style is conservative, the braids and cornrows lie snugly on the head, and any hair-holding devices comply with the standards in 3a(3)(d) below. Dreadlocks (unkempt, twisted, matted individual parts of hair) are prohibited in uniform or in civilian clothes on duty. Hair will not fall over the eyebrows or extend below the bottom edge of the collar at any time during normal activity or when standing in formation. Long hair that falls naturally below the bottom edge of the collar, to include braids, will be neatly and inconspicuously fastened or pinned, so no free-hanging hair is visible. This includes styles worn with the improved physical fitness uniform (IPFU).

b. Styles that are lopsided or distinctly unbalanced are prohibited. Ponytails, pigtails, or braids that are not secured to the head (allowing hair to hang freely), widely spaced individual hanging locks, and other extreme styles that protrude from the head are prohibited.

c. Females will ensure that hairstyles do not interfere with proper wear of military headgear and protective masks or equipment at any time. When headgear is worn, the hair will not extend below the bottom edge of the front of the headgear, nor will it extend below the bottom edge of the collar.

d. Hair-holding devices are authorized only for the purpose of securing the hair. Soldiers will not place hair-holding devices in the hair for decorative purposes. All hair holding devices must be plain and of a color as close to the soldier's hair as is possible or clear. Authorized devices include, but are not limited to, small, plain scrunchies (elastic hair bands covered with material), barrettes, combs, pins, clips, rubber bands, and hair bands. Devices that are conspicuous, excessive, or decorative are prohibited.

Cosmetics

(1) General. As with hairstyles, the requirement for standards regarding cosmetics is necessary to maintain uniformity and to avoid an extreme or unmilitary appearance. Males are prohibited from wearing cosmetics, to include nail polish. Females are authorized to wear cosmetics with all uniforms, provided they are applied conservatively and in good taste and complement the uniform.

a. Females may wear cosmetics if they are conservative and complement the uniform and their complexion. Eccentric, exaggerated, or trendy cosmetic styles and colors, to include makeup designed to cover tattoos, are inappropriate with the uniform and are prohibited. Permanent makeup, such as eyebrow or eyeliner, is authorized as long as the makeup conforms to the standards outlined above.

b. Females will not wear shades of lipstick and nail polish that distinctly contrast with their complexion, that detract from the uniform, or that are extreme.

(2) Females will comply with the cosmetics policy while in any military uniform or while in civilian clothes on duty.

c. Fingernails. All personnel will keep fingernails clean and neatly trimmed. Males will keep nails trimmed so as not to extend beyond the fingertip. Females will not exceed a nail length of ¼ inch, as measured from the tip of the finger. Females will trim nails shorter if the commander determines that the longer length detracts from the military image, presents a safety concern, or interferes with the performance of duties.

d. Hygiene and body grooming. Soldiers will maintain good personal hygiene and grooming on a daily basis and wear the uniform so as not to detract from their overall military appearance.

Tattoo policy

(1) Tattoos or brands anywhere on the head, face, and neck above the class A uniform collar are prohibited.

(2) Tattoos or brands that are extremist, indecent, sexist, or racist are prohibited, regardless of location on the body, as they are prejudicial to good order and discipline within units.

a. Extremist tattoos or brands are those affiliated with, depicting, or symbolizing extremist philosophies, organizations, or activities. Extremist philosophies, organizations, and activities are those which advocate racial, gender or ethnic hatred or intolerance; advocate, create, or engage in illegal discrimination based on race, color, gender, ethnicity, religion, or national origin; or advocate violence or other unlawful means of depriving individual rights under the U.S. Constitution, Federal, or State law (see para 4- 12 , AR 600-20).

b. Indecent tattoos or brands are those that are grossly offensive to modesty, decency, or propriety; shock the moral sense because of their vulgar, filthy, or disgusting nature or tendency to incite lustful thought; or tend reasonably to corrupt morals or incite libidinous thoughts.

c. Sexist tattoos or brands are those that advocate a philosophy that degrades or demeans a person based on gender, but that may not meet the same definition of "indecent."

d. Racist tattoos or brands are those that advocate a philosophy that degrades or demeans a person based on race, ethnicity, or national origin.

(3) Finality of determination. Professors of Military Science (O-5 or above) will make initial entry determinations that tattoos or brands comply with this policy for ROTC cadets. This authority will not be delegated further.

(4) Soldiers may not cover tattoos or brands in order to comply with the tattoo policy.

Wear of Jewelry

a. Soldiers may wear a wristwatch, a wrist identification bracelet, and a total of two rings (a wedding set is considered one ring) with Army uniforms, unless prohibited by the

commander for safety or health reasons. Any jewelry soldiers wear must be conservative and in good taste. Identification bracelets are limited to medical alert bracelets and MIA/POW identification bracelets. Soldiers may wear only one item on each wrist.

b. No jewelry, other than that described in paragraph 6a, above, will appear exposed while wearing the uniform; this includes watch chains, or similar items, and pens and pencils. The only authorized exceptions are certain religious items.

c. Body piercing. When on any Army installation or other places under Army control, soldiers not attach, affix, or display objects, articles, jewelry, or ornamentation to or through the skin while they are in uniform, in civilian clothes on duty, or in civilian clothes off duty (this includes earrings for male soldiers). The only exception is for female soldiers, as indicated in paragraph 6d, below. (The term "skin" is not confined to external skin, but includes the tongue, lips, inside the mouth, and other surfaces of the body not readily visible).

Uniform and Appearance Standards - 3

d. Females are authorized to wear prescribed earrings with the service, dress, and mess uniforms.

(1) Earrings may be screw-on, clip-on, or post-type earrings, in gold, silver, white pearl, or diamond. The earrings will not exceed 6 mm or ¼ inch in diameter, and they must be unadorned and spherical. When worn, the earrings will fit snugly against the ear. Females may wear earrings only as a matched pair, with only one earring per ear lobe.

(2) Females are not authorized to wear earrings with any class C (utility) uniform (BDU, hospital duty, food service, physical fitness, field, or organizational).

a. Ankle bracelets, necklaces (other than those described in 6b), faddish (trendy) devices, medallions, amulets, and personal talismans or icons are not authorized for wear in any military uniform, or in civilian clothes on duty.

(3) Wear of eyeglasses, sunglasses, and contact lenses

a. Wear of eyeglasses and sunglasses.

(1) Conservative civilian prescription eyeglasses are authorized for wear with all uniforms.

(2) Conservative prescription and nonprescription sunglasses are authorized for wear when in a garrison environment, except when in formation and while indoors. Individuals who are required by medical authority to wear sunglasses for medical reasons other than refractive error may wear them, except when health or safety considerations apply. Soldiers may not wear sunglasses in the field, unless required by the commander for safety reasons in high-glare, field environments.

(4) Restrictions on eyeglasses and sunglasses. Eyeglasses or sunglasses that are trendy, or have lenses or frames with initials, designs, or other adornments are not authorized for wear. Soldiers may not wear lenses with extreme or trendy colors, which include but are not limited to, red, yellow, blue, purple, bright green, or orange. Lens colors must be traditional gray, brown, or dark green shades. Personnel will not wear lenses or frames that are so large or so small that they detract from the appearance of the uniform.

Personnel will not attach chains, bands, or ribbons to eyeglasses. Eyeglass restraints are authorized only when required for safety purposes. Personnel will not hang eyeglasses or eyeglass cases on the uniform, and may not let glasses hang from eyeglass restraints down the front of the uniform.

a. Restrictions on contact lenses. Tinted or colored contact lenses are not authorized for wear with the uniform. The only exception is for opaque lenses that are prescribed medically for eye injuries. Additionally, clear lenses that have designs on them that change the contour of the iris are not authorized for wear with the uniform.

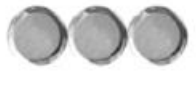

(5) Wear of personal protective or reflective clothing

a. Protective headgear. Soldiers are required to wear commercially designed, protective headgear with the uniform when operating motorcycles, bicycles, or other like vehicles. Personnel will remove protective headgear and don authorized Army headgear upon dismounting from the vehicle.

b. Protective/reflective clothing. Soldiers may wear protective/reflective outer garments with uniforms when safety considerations make it appropriate and when authorized by the commander.

²Although you may qualify for a scholarship if you are within the maximum weight for Army ROTC, every effort should be made to stay within the weights established for active duty. Active duty weight requirements are more stringent than those required of Army ROTC cadets. Failure to meet and remain within these parameters may result in the loss of a scholarship if offered. ANNEX E - Soldier's Creed

I am an American Soldier.

I am a Warrior and a member of a team. I serve the people of the United States and live the Army Values.

I will always place the mission first.

I will never accept defeat.

I will never quit.

I will never leave a fallen comrade.

I am disciplined, physically and mentally tough, trained and proficient in my warrior tasks and drills.

I always maintain my arms, my equipment and myself.

I am an expert and I am a professional.

I stand ready to deploy, engage, and destroy the enemies of the United States of America in close combat.

I am a guardian of freedom and the American way of life.

I am an American Soldier.
