NMMI was provided new guidance late in the evening of 4 March, 2021, from the NMAA, regarding the allowance of spectators at home events. The key to the number of spectators allowed is the current status of the county where the event is being held.

Unfortunately, for NMMI and Dexter fans, NMMI is not prepared for the addition of spectators on the 5th of March at Colt Field located on the NMMI campus. NMMI, and other schools we have contacted were unaware of a pending change on the spectator rule. Following prior guidance from the NMAA, that did not allow spectators at events, NMMI has not made provisions for restrooms or crowd control.

NMMI had been prepared to welcome spectators in accordance with Department of Health guidelines for the NMMI Bronco baseball team playing a 4-game series starting Friday night at the Colt baseball field. The DOH guidelines for allowing spectators at intercollegiate games in New Mexico had been released for over a week.

We apologize for any inconvenience the prior restrictions and short notice by NMAA may cause.
