### 42. RELEASE OF INFORMATION

The Privacy Act requires that we notify you of other routine uses of the information we collect from you. You should know that if you leave school, we might provide your name, address, and phone number to the U.S. Army Recruiting Command. This is done because the Active Army, Army Reserve, and National Guard want and need intelligent young men and women. They also have programs which might help you return to college. The transfer of information to the Recruiting Command means that, if you drop from school, you may receive information in the mail or be called by an Army Recruiter. You are under no obligation to accept the mail or to talk to the recruiter.

I have read and understand the above statement concerning data required by the Privacy Act of 1974.

Verification of the following statements is required in order to assist in establishing eligibility to participate in the ROTC program. Failure to provide a response will preclude further processing as an enrolled cadet. Failure to provide an accurate or truthful response is grounds for barring entry into the SROTC program or for the initiation of disenrollment action. Your signature at the bottom of this page will attest to the accuracy of your responses on this form.
