### Unusual Enrollment History Form

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received Federal Pell Grant funds at multiple education institutions during the review period: 2019-20, and 2020-21, and 2021-22. This flag requires New Mexico Military Institute to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, NMMI will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance. If you have questions, contact us promptly so your financial aid will not be delayed.
