RE: SPECIAL UPDATE – UPDATE NEW MEXICO HEALTH ORDER

Today the Governor of New Mexico issued an update Public Health Order. The new order takes effect Monday, November 16, 2020 and remains in effect until November 30, 2020. The new order directs Institutions to convert to an online/remote format after the Thanksgiving holiday break. New Mexico Military Institute will complete its semester before the Thanksgiving break.

As it relates to New Mexico Military Institute, we will continue to follow our current protocols of in-class instruction, the mandatory wearing of masks and the practice of social distancing. We are twelve calendar days away from the completion of the semester and **we will continue operations as they are until we complete the semester.**

We will abide by the updated order and eliminate all mass gatherings. The Chapel will be limited to the lesser of 25% of stated maximum capacity or 75 individuals at any given time. All non-essential employees will work from home. Close contact services such as the Barber shop will be closed. Outdoor recreational facilities such as the Golf Course will be closed.

Construction will continue. Contractors will follow the established protocols for their employees entering and leaving the NMMI grounds. No other visitors are allowed.
