

**AN AGREEMENT TO ESTABLISH A
TRANSFER ARTICULATION AGREEMENT BETWEEN
NEW MEXICO STATE UNIVERSITY
COLLEGE OF HEALTH, EDUCATION, AND SOCIAL TRANSFORMATION
AND NEW MEXICO MILITARY INSTITUTE**

This agreement establishes a plan whereby an undergraduate student may first attend New Mexico Military Institute and then transfer to New Mexico State University's (NMSU) College of Health, Education, and Social Transformation (HEST) to complete a bachelor's degree in Kinesiology with a concentration in exercise science or performance psychology.

Guidelines:

The following guidelines are used to award transfer credit toward a degree in NMSU's College of HEST:

- Transfer of credits is consistent with and subject to the same conditions prescribed in each institution's published catalog.
- A grade of C- or above will be earned at New Mexico Military Institute.
- College-level courses from New Mexico Military Institute will be equivalent in content and standards to NMSU courses.
- Candidates must successfully meet all requirements for admission to NMSU.
- This agreement will be reviewed regularly by both parties to ensure continued transfer compatibility of programs of study.

To facilitate the transfer of coursework, this articulation agreement includes the courses normally taken by students at NMSU's College of HEST in the Department of Kinesiology. Transfer students should realize that they must complete all coursework necessary in their respective degree plan of study before receiving their bachelor's degree from NMSU. This agreement is subject to change, including the need to add, delete, or modify NMSU degree programs. For further information, please contact NMSU's College of Health, Education, and Social Transformation at MSC 3AC, P.O. Box 30001, Las Cruces, NM 88003-8003, 575-646-5858.
